第4話
Chapter 4

FOR THE PEOPLE OF OLD, THE SKIES WERE WHERE THE GODS LIVED.

STARTING FROM THE HIGHEST SHIKOUTEN... GENDOUTEN, AND FINALLY, KOUSEITEN.
THE WAYS OF DIVISION DIFFER ACCORDING TO THE AGE. HOWEVER, THE BEAUTIFULLY PARTITIONED LAYERS FORM THE CELESTIAL SPHERE...
AND PEOPLE THOUGHT THE CELESTIAL SPHERE INFLUENCED THEIR FATE.
HENCE,
TODAY, I WANT YOU TO LEARN HOW TO CREATE HOROSCOPES.
They're back up...
O...Oi, JEZEK,
WHAT'S UP WITH THOSE TWO?

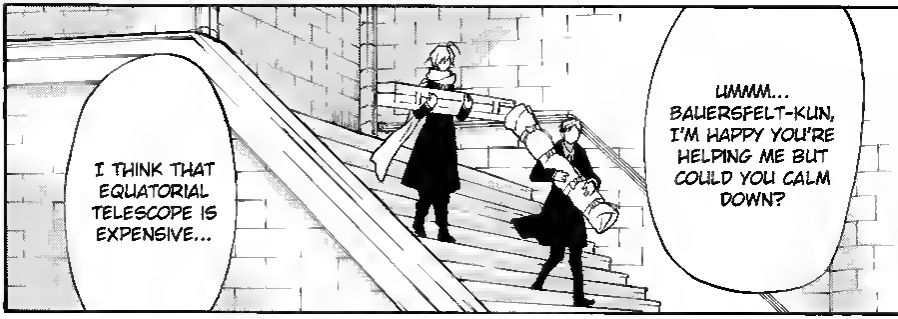
Thanks.
Horo-scopes?
Something this unscientific is being backed up by the Astronomical Faculty?
APPARENTLY, THE UNUSED STORAGE ROOM WAS FULL OF DUST, AND IT TURNED OUT LIKE THIS
HE~EH,
THE TRANSFER STUDENT'S MORE SOCIABLE THAN I THOUGHT...
I'LL GIVE YOU THESE PAPERS
PLEASE TRY WRITING YOUR HORO-SCOPES IN ACCORDANCE WITH THIS FORM
YOUR TASK FOR THIS WEEK'S HISTORY CLASS WILL BE TO WRITE A REPORT ON CREATING AND READING THE MAPS
SUBSTITUTE PHI WITH THE BIRTH PLACE'S LATITUDE...
COSINE AND THE ECLIPTIC ANGLE OF INCLINATION TANGENT THAT...
formula~~
IT HAS A FLUFFY IMAGE, BUT IT'S ACTUALLY JUST MATH, ISN'T IT?
AH!
NICOLA-KUN, YOUR HAND IS BLEEDING! IS IT FROM EARLIER?
YEAH... IT'S ALREADY STOPPED, SO I'LL GO WASH IT LATER

I DON'T CARE ABOUT SUPERSTITIONS, BUT...
SOMETHING IMPORTANT MIGHT COME UP LATER.
ARE YOU HURT?! WHY DIDN'T YOU SAY SO SOONER!
SENSEI... I'LL TAKE PASCHALIS TO THE INFIRMARY...
REALLY, IT'S FINE! I DON'T WANT TO MISS THE CLASS!
BUT THIS IS A HISTORY CLASS— THE PEOPLE FROM THE PAST THOUGHT OF THESE THINGS AS SCIENCE!
EVEN IF IT'S WRONG FROM A PHYSICS POINT OF VIEW...
PSYCHOLOGICALLY, IT WAS KIND OF TRUE, RIGHT? LIKE RUMORS THAT HAVE POWER...
BEFORE YOU CAME, WE LEARNED THE THEORY OF ALCHEMY!
AAH, THAT WAS SO INTERESTING~
BAU,
YOU SHOULD SHUT UP AND PAY ATTENTION TO THE LESSON...
WELL... JUST BY LOOKING AT THE FORMULA,
I CAN UNDERSTAND THAT THE ADVANCEMENT OF MATHEMATICS WAS MADE FOR THE SAKE OF ASTRONOMY AND THE GEOSCIENCES, AND HOROSCOPES, TOO...

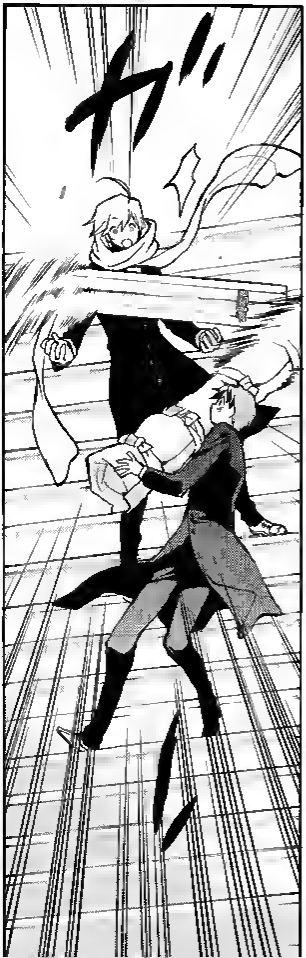
Did I... do something again...?
.....
I'M SORRY, BUT,
...CAN WE PUT AN END TO THIS TOPIC?
I HATE SUPERSTI-TIONS,
AS WELL AS PEOPLE WHO TAKE THEM SERIOUSLY.
...QUIET, PLEASE.
I WANT YOU TO LISTEN WHILE YOU DRAW.
IN THE LESSON 2 DAYS FROM NOW WILL BE A COMBINED ONE, AND YOU'LL HAVE AN ASTRONOMICAL PRACTICUM.
YOU'LL TRY TO OBSERVE SUN SPOTS WITH A TELESCOPE FROM GALILEO'S ERA.

Does this mean... We'll be using the research area's facilities?
Astronomical observation
HEY!
THIS IS THE FIRST TIME OUR CLASS WILL USE A TELESCOPE!
Well... That's to be expected
YES, SENSEI
I'LL BE CAREFUL!
There's no need to use that facility just to observe sun spots...
YES..!
SO SCHOLARSHIP STUDENT!
NEXT LESSON, YOU SHOULD GO GET THE TELESCOPE FROM STORAGE ROOM #1.
For a second, I thought we'd get to go to Tokei.
Eh...
Whaat... We're doing it here?
THE PERSON IN CHARGE OF IT WILL HAVE IT OPENED AND WILL WAIT FOR YOU. GET IT FROM THERE.
IT'S VALUABLE SO BE CAREFUL WITH IT

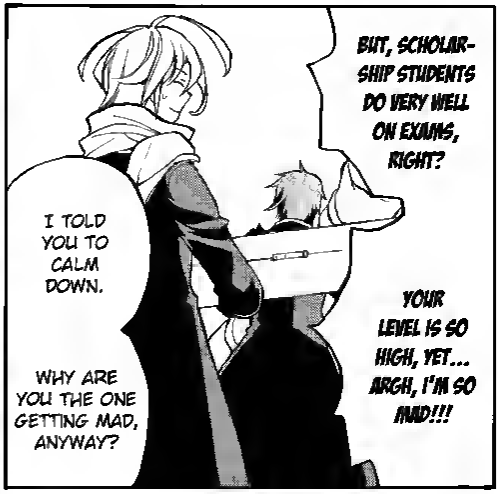
AH, YOU, I FORGOT TO TELL YOU BUT...
YES? WHAT IS IT?
EVEN IF YOU'RE A SCHOLARSHIP STUDENT, COULD YOU REFRAIN FROM TOUCHING TELESCOPES IN THAT ATTIRE?
IT'LL BE TROUBLESOME IF THEY GET DIRTY.
YES, SENSEI.
SMILE
THAT SHITTY TEACHER RE~~ALLY PISSES ME OFF!!
SO WHAT IF HE'S A SCHOLAR-SHIP STUDENT!?
THAT HAS NOTHING TO DO WITH IT!!!



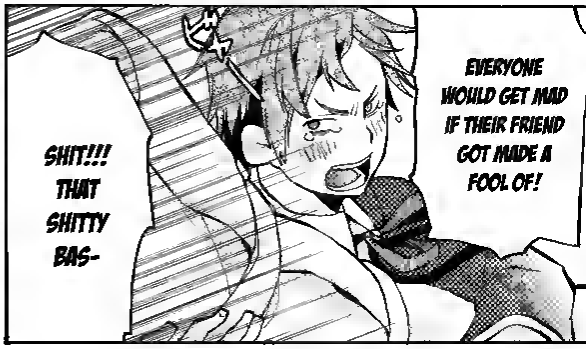
I THINK THAT EQUATORIAL TELESCOPE IS EXPENSIVE...
UMMM... BAUERSFELT-KUN, I'M HAPPY YOU'RE HELPING ME BUT COULD YOU CALM DOWN?



SFX: GAN



BUT, SCHOLARSHIP STUDENTS DO VERY WELL ON EXAMS, RIGHT?
I TOLD YOU TO CALM DOWN.
YOUR LEVEL IS SO HIGH, YET... ARGH, I'M SO MAD!!!
WHY ARE YOU THE ONE GETTING MAD, ANYWAY?



EVERYONE WOULD GET MAD IF THEIR FRIEND GOT MADE A FOOL OF!
SHIT!!! THAT SHITTY BAS-

THERE'S A PROBLEM!
KOUDA-YUU!!
FIO? WHAT HAPPENED?
BAU...
CRASHED THE TRIPOD INTO THE TELESCOPE AND BROKE IT!!

THE SKY IS BEAUTIFULLY CLEAR.
IT'S PERFECT FOR OBSERVING THE SUN.
WELL THEN,
PLEASE SEPARATE INTO TEAMS AND WAIT UNTIL THE EQUIPMENT IS DELIVERED.

SCHOLARSHIP STUDENT! WHY DID YOU ASK FOR HELP!!

I WAS THE ONE WHO WANTED TO DO IT!
I LET NICO- ...UH, PASCHALIS GOT HURT...
THE INJURY ON HIS HAND HASN'T HEALED YET AND I COULD NOT LET HIM CARRY SUCH HEAVY THINGS BY HIMSELF.
SFX PASH!
WAIT A MINUTE!!
I HEARD EVERYTHING!! I DON'T LIKE THE MUFFLER DUDE, BUT TEACHER... YOU TOO...
SISTER, WAIT! YOUR WAY OF SAYING IT IS...
THE ONE WHO'LL TAKE RESPONSIBILITY IS YOU.
IF YOU CAN'T COMPENSATE YOURSELF, THEN THE SUM MAY BE DEDUCTED FROM YOUR SCHOLARSHIP.
AS I SAID... I WAS THE ONE WHO DROPPED IT!
I DROPPED IT MYSELF!!
SFX FOOTSTEPS
I'M NOT TALKING TO YOU, BAUERSFELT.
SFX GATAN

UHM ..
SCHULZ-SENSEI, PLEASE WAIT.
CLASS B'S REPRESENTATIVE, JEZEK... WHY ARE YOU HERE?
I HEARD THAT THE VALUABLE EQUIPMENT HAS BEEN INSURED.
IN THAT CASE,
Hello~
*
I HEARD THE TALK EARLIER
I THINK... YOU WERE A BIT TOO EMOTIONAL NOW, SENSEI...
GOOD DAY
WHY ARE YOU UNDER A ROOF IN A PERFECT DAY FOR OBSERVATION?

LET'S SEE... IT'S MY FIRST TIME MEETING THIS MUFFLER-KUN, ISN'T IT?
I'M KLOSE. I SOMETIMES OVERSEE THE ASTRONOMICAL PRACTICUM.
SCHULZ-KUN...
T-THAT IS...
IT'S ALSO YOUR FAULT FOR MAKING AN INEXPERIENCED STUDENT CARRY EXPENSIVE EQUIPMENT INSTEAD OF AN ASSISTANT.
I WOULD UNDERSTAND IF IT WAS AN ACTUAL GALILEO TELESCOPE, BUT THIS IS A REPLICA CREATED LATER.
SO YOU SHOULDN'T WORRY THAT MUCH.
AS THAT BOY SAID, IT WAS AN INSURANCE.
JUST BE MORE CAREFUL NEXT TIME, ALRIGHT?
Y-
...YES.
...WELL THEN,
YOU ALL SURE ARE LUCKY!
EH?

AT A PLACE OF KNOWLEDGE, ONE SHOULD NOT ONLY STRIVE TO PERFECT HIS STUDYING,
BUT IF ONE COULD CREATE LIFELONG FRIENDS, THAT WOULD BE BEST. THAT'S WHAT I THINK.
THERE'S ONLY SO MUCH ONE CAN DO ALONE.
.....
AAH, THANK GOODNESS! I WAS WONDERING WHAT WAS GONNA HAPPEN~
ZAWA
BUT THAT MEANS THE OBSERVATION WILL BE CANCELLED, RIGHT?
I WAS LOOKING FORWARD TO IT, THOUGH.
ZAWA
ZAWA

HM, MIROS-KUN
YES!
IS THE FIRST EQUATORIAL TELESCOPE HALL AVAIL-ABLE?
THE FIRST TELESCOPE...
THAT THE ONE IN TELCEL...?
YES, PROFESSOR THERE ARE ONLY AFTERNOON OBSERVATIONS TODAY. THE OBSERVATION METHOD NEVER CHANGES, AFTER ALL

WELL THEN, IT'S SUDDEN, BUT LET'S GO TO THE RESEARCH AREA
CALL THE STUDENTS WAITING ON THE TERRACE, TOO.
THE TELESCOPE OVER THERE ISN'T FROM GALILEO'S ERA, BUT, OH WELL.
AT LEAST IT'S ALWAYS THERE!
.....
///

No way!

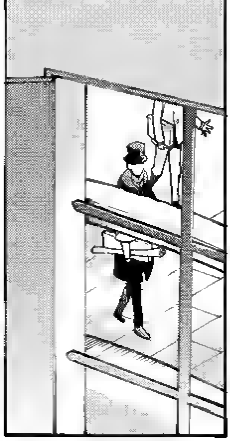
PUT THE BANDS ON YOUR LEFT ARM
THEY'LL BE USED FOR THE CHECKS UPON ENTERING AND EXITING
THE WOODEN DOORS WILL OPEN
STAND IN TWO LINES AND RECEIVE THE COLOURED ARM BANDS FOR GUESTS!
The stairs are made the same way as those outside..
But...
kyoro
kyoro
The stone they're made from is different after the gate.
IT'S MORE NORMAL THAN I IMAGINED
IT'S SO WIDE! THERE'S EVEN A FOREST!
This is...

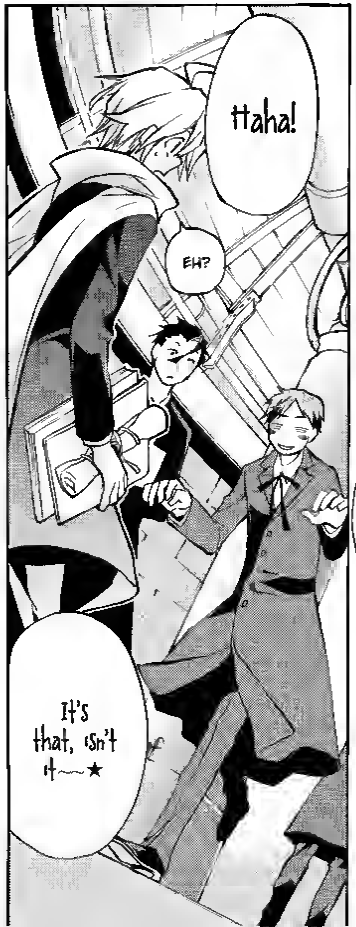
This is
TelCel.

YOU WILL OBSERVE THE FORM REFLECTED ON THE PAPER!!!
SO YOU ABSOLUTELY SHOULDN'T DO IT!!!
IF YOU LOOK AT THE SUN THROUGH THE TELE-SCOPE, THIS WILL HAPPEN TO YOUR EYES!!!
LOOK HERE
THERE ARE A LOT OF PEOPLE WHO HAVE ACTUALLY DIED BECAUSE OF THIS SO I'LL SAY IT AGAIN AND AGAIN!!!
IT'S THE MOST BASIC OF BASICS, BUT!!!
There will be more practicums.
I could just look around today.
GROUPS 1 TO 3 WILL BE SUPPORTED BY ME AND KLOSE-SENSEI, AND 4 TO 5 BY SCHERZ-SENSEI
WELL THEN, GROUP #1 WILL START SKETCHING FIRST.
Two teachers and 3 assistants.
Kouda-yuu Jezek is also here, so I can't move around freely.
Wah! We're in the same group as the Sister!
Guh!
DON'T BREAK ANYTHING THIS TIME!

AS YOU'VE HEARD, THERE ARE BLACK SPOTS ON THE SUN TODAY.
HOWEVER, IF THE SUN'S INTENSITY WEAKENS, THE BLACK SPOTS BECOME FEWER, AND THEY MAY EVEN DISAPPEAR
IF THE SUN'S INTENSITY WEAKENS, IT WILL HAVE AN EFFECT ON THE CROPS. SO, YOU CAN SAY THAT OBSERVING THE BLACK SPOTS IS CONNECTED TO THE ECONOMY.
Ah!!
I can see!!
WEIGHTS ARE USED TO MOVE IT, SO IT FOLLOWS THE SUN AUTO-MATICALLY
THERE'RE SO MANY!!
LIKE THIS? LET'S CHANGE EVERY 3 SPOTS!
DRAW MORE CALMLY
THIS LESSON AIMS TO GET YOU TO KNOW THE TELESCOPES BETTER... HOWEVER, I'D BE HAPPY IF YOU'D HELP TO LOOK FOR THE BLACK SPOTS!
I'M LOOKING FORWARD TO YOUR REPORTS!

Maybe there's a lot of regular staff... But they're only supervising the research area, probably.
The people outside are mainly researchers...



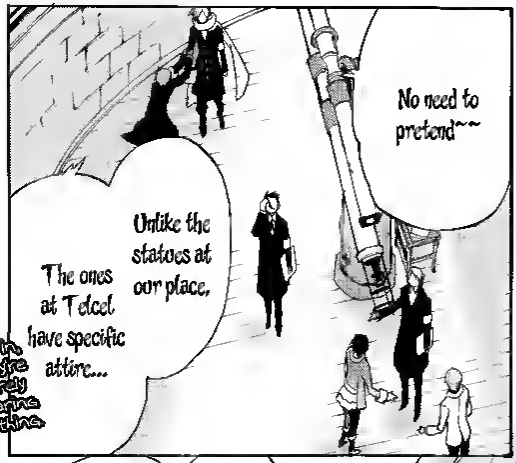


Haha!
EH?
It's that, isn't it~★

ASTEL, IT'S YOUR TURN
AH, YEAH SORRY
THERE'S A LOT OF INTERESTING THINGS HERE, SO I ALWAYS END UP STARING

Me?
YOU TWO ARE PERSISTENT
Me, right?
AH, THAT'S RIGHT! NICOLA-KUN!
YOU'VE BEEN LOOKING OUTSIDE FOR A WHILE, RIGHT?

What?
Never heard of that.



No need to pretend~~
Unlike the statues at our place,
The ones at Telcel have specific attire...
As in, they're barely wearing anything.

THE NUDE
GODDESS STATUES.

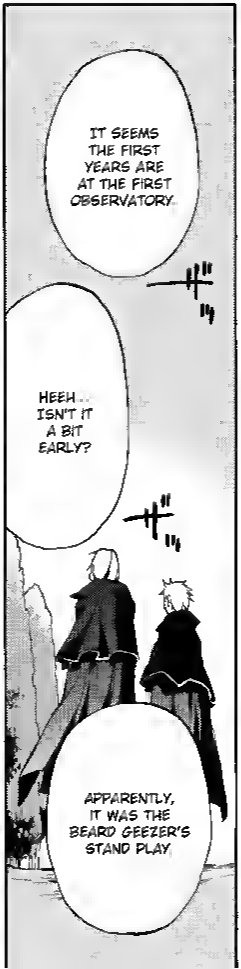
I won't tell anyone, really!! That you like voyeurism...
No need to hide it!
NO, REALLY, I DON'T CARE ABOUT SOME STATUES
I can only see them as something to clean.
DON'T YOU WANNA MAKE SURE WHICH OF THE SEVEN GODDESSES IS LIKE "THAT" OR "THAT"?
BUT THEY'RE NUDE!
HEY, HEY, WAIT A SECOND
I'LL GO DRAW BLACK SPOTS

.....
By the way, I do want to see!!
Nudes!!!
...I WANT TO DISAPPEAR...
ALRIGHT, BUT CAN YOU HELP WITH THE CLEANING UP FIRST?
The next group will come soon.

THAT'S RIGHT...
BUT... IT'S ALL TRUE.
THE SISTER PROBABLY THINKS I'M A HORRIBLE GUY WHO HAS NO TACT, BARGES INTO DELICATE FAMILY MATTERS,
BROKE EXPENSIVE TELESCOPE, ALSO ONE WHO'S CYNICAL AND PERVERTED...
Uhh...
Let's go see the nude statues secretly ♥
How do his motives even work...
I DON'T WANT TO! I'M TELLING YOU TO COME HELP CLEAN UP...
UWAA! I CAN'T STAND IT!! NICOLA-KUN, COMFORT MEEEEEEEE.
MORE SPECIFIC-ALLYYYYYY

SIGH
SEE? NOW WE CAN SNEAK OUT,
AND NOBODY WILL NOTICE!

ALRIGHT, THEY LEFT!
NOW!



IT SEEMS THE FIRST YEARS ARE AT THE FIRST OBSERVATORY.
HEEH... ISN'T IT A BIT EARLY?
APPARENTLY, IT WAS THE BEARD GEEZER'S STAND PLAY.

It's...a chance to look around a bit.

I THINK THEY'RE AT THE CENTRAL ROTARY~
THEY'RE THE SCHOOL'S SYMBOLS, AFTER ALL.
I THINK WE'RE IN THE NORTHERN GROUNDS NOW, SO WE SHOULD TRY GOING SOUTH...
WHAT'S WRONG WITH STONE!!
IT'S THE IDEA PLATON WAS TALKING ABOUT! ...PROBABLY!!
Eh!
Hey You're too loud
I WANT TO WITNESS THE TRUE FORM THE CREATOR HAS POURED INTO THE STONE WITH THE EYES OF MY HEART...
THE STATUES ARE MADE OF STONE... IS IT REALLY FUN TO LOOK AT THEM?
...BUT... I DON'T WANT TO SAY IT, BUT...
SFX GLANCING AROUND
きょろ
きょろ
?
IS ANYONE THERE?
!!!

...Fuu!
That was close♥
UHMM...
YOU... CAN YOU BE MORE CAREFUL WHEN YOU ACT?
IT WAS THE SAME IN THE FORBIDDEN ROOM, THE TELESCOPE, AND NOW...
RESEARCHERS?
FROLICKING LIKE STUDENTS...
SERIOUSLY...
OI.

WHY ARE YOU HERE...
...KOUDA-YUU...

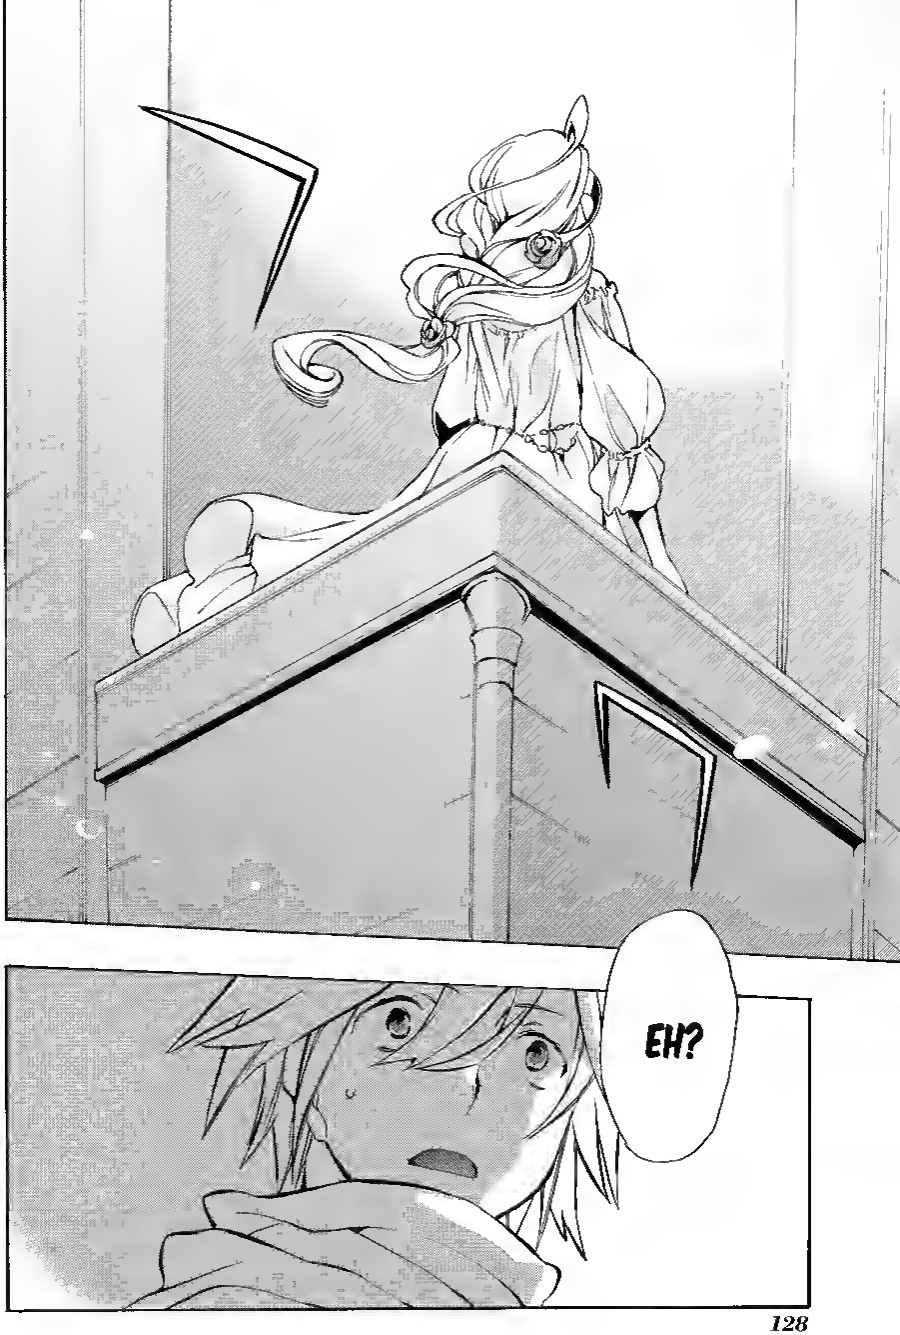
YOU TWO.
CAN YOU STOP AL-READY?

KOUDAYUU~ JUST A BIT MORE!!
WE'RE GOING BACK.
HOW CAN YOU ASK ME THIS AFTER YELLING LIKE THAT?

THE OBSERVATORY'S CLEANING UP WILL END SOON.
KLOSE-SENSEI SAVED YOU TODAY.
DON'T BETRAY HIM LIKE THIS.
...
YOU'RE RIGHT... LET'S GO BACK.
THEY'LL START TURNING ON THE LIGHTS SOON, SO...
IF WE DON'T HURRY WE'LL BUMP INTO THE WORKERS.

Zzz...
UHM, NICOLA-KUN ..
I'M SORRY. EVEN THOUGH YOU SAVED ME..
LET ALONE RETURNING THE FAVOR, I KEEP CAUSING YOU TROUBLE.
AH, BUT I REALLY THINK YOU SHOULD THINK ABOUT THE CONSEQUENCES BEFORE YOU ACT FROM NOW ON.
YES...
IF YOU DO THAT, MAYBE THE SISTER WON'T HATE YOU EVEN MORE THAN SHE ALREADY DOES.
EVEN THOUGH IT'S PROBABLY TOO LATE NOW.
I walked a lot and got tired..
Fuu
IT DIDN'T SEEM I'D GET ALONG WITH THE HISTORY TEACHER FROM THE BEGINNING, ANYWAY.
WHATEVER, SERIOUSLY.

-IS THAT A PRETTY LADY?!
AH,
HOW ABOUT WE GO THROUGH THIS SHORT-CUT NOBODY SEEMS TO USE?
THE BUILDING'S HIGH, SO WE SHOULDN'T BE SEEN FROM BELOW.
.....
IT SEEMS LIKE PART OF A MEDIEVAL CASTLE.
IT DOESN'T SEEM LIKE ANYONE'S LIVING HERE.
WHAT ARE YOU SAYING SO SUD-DENLY...
PRETTY LADIES...
THERE... ON THE TERRACE.



EH?
